Thank you for volunteering to be one of many St. Jude Helping Hands. This ministry has served hundreds of people since 2002 and with your help we will continue to serve our brothers and sisters in Christ for many more years.

We now have 4 Helping Hands Coordinators who rotate responsibility for handling requests for assistance and then contacting our Helping Hands ministers who provide the needed assistance. The coordinators are Joanne Ebert, Jim Kurt, Pat Laughlin and Scott Rokely. They have been doing a wonderful job of coordinating this ministry.

The Helping Hands ministry has a dedicated cell phone that is used only for this ministry. The phone number is 913-1383. If you need to contact the Helping Hands coordinator at any time you may use that number.

St. Jude Helping Hands is a unique ministry that developed from some simple ideas in response to a need and has blossomed to become a source of hope and help for many, many people in a variety of ways. This ministry helps all of us to live as disciples of Christ, bringing his kingdom into the world in our community, one step at a time.

St Teresa of Avila who lived in Spain in the 1500s wrote this poem that fits this ministry beautifully.

Christ Has No Body

*Christ has no body but yours,
No hands, no feet on earth but yours,
Yours are the eyes with which he looks
compassion on this world,
Yours are the feet with which he walks to do good,
Yours are the hands, with which he blesses all the world.
Yours are the hands, yours are the feet,
Yours are the eyes, you are his body.
Christ has no body now but yours,
No hands, no feet on earth but yours,
Yours are the eyes with which he looks
compassion on this world.
Christ has no body now on earth but yours.*

We thank you again for being Helping Hands that bring the presence of Christ into other's lives and deeper into your own.
